I'm getting up now
the sun is burning my eyes and I ache
I'm living on a, freeway, running low on a hard and
good mistakes
I'm taking it as a..living, just living all the lives I have to
live
I'm playing off this feeling knowing that it's time to be
forgiven

If I could only come around (I'm looking in the black)
Just stop and turn around (I need to get this off my
back)
Am I outta my mind, for faking what's inside of me?

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walking on another thin line)

I'm wide awake now
its getting dark and I can't see my way
I'm living through the game now, by watching every
word that I might say

And now I've gotta come around (I'm falling through
the cracks)
And stop and turn around (Can't get this off my back)

Am I outta my mind, for faking what's inside of me?

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walking on another thin line)
No, no, no I'm in the middle of a crime
taking left whats mine (walking on another thin line)
...As I fade away...(walking on another thin line)
with everything I am

With everything I am
With all I have to stand
I'm not gonna fade, oh no!
Drag on tears and cover songs
When I've done nothing wrong

I just don't belong
DA DA DA DA DA DA DA

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walking on another thin line)
I'm in the middle of a crime...
taking left what's mine
as I fade away, yeah
