Sick of the lines they're feeding me
I never know what to believe
In a world that's crushing me
You're the only one I see

I don't change my mind for anybody
I won't waste my time on just anybody
I won't share my life
(With anyone but you)

It's such a long way
(With anyone but you)
I couldn't follow
(With anyone but you)
Never anyone but you

They put my poster on the wall
They watch and wait for me to fall
They think they've made me who I am
Ohh, they don't know me at all

I don't change my mind for anybody
I won't waste my time on just anybody
I won't share my life
(With anyone but you)

It's such a long way
(With anyone but you)
I couldn't follow
(With anyone but you)
Never anyone but you

(With anyone but you)
It's such a long way
(With anyone but you)
I couldn't follow
(With anyone but you)
Never anyone but you

They built you up so high
So you can hardly see the stars beneath your feet
I'm falling through the cloud

Then it'll be the next to catch me

(Ohh, ohh, ohh)
(With anyone but you)
It's such a long way
(With anyone but you)

I couldn't follow
(With anyone but you)
Never anyone but
Never anyone but
(With anyone but you)

It's such a long way
(With anyone but you)
And I couldn't follow
(With anyone but you)
Still anyone but you
