Under the lights 'til the crack of dawn  
Never was right, I'm usually tight  
Under lights past three at night

Easy, easy when you kiss me  
Callin' the shots, and buyin' another round  
Ooo-wee easy isn't sleazy

Easy, easy when you kiss me  
Callin' the shots, and buyin' another round  
Ooo-wee easy isn't sleazy  
Living it up's not bringin' a lady down  
Mmm, da da da da, yea

Easy, easy, easy, easy, easy, easy,  
Easy, easy, easy, easy, easy, easy,  
Easy, easy, easy, easy, easy, easy,  
Easy, easy, easy, easy, easy, easy,

Easy, easy when you kiss me  
Callin' the shots, and buyin' another round  
Ooo-wee easy isn't sleazy  
Living it up's not bringin' a lady down

Easy, easy when you kiss me  
Easy, easy when you kiss me  
Ooo-wee, easy isn't sleazy  
Easy when you kiss me  
Mmm, I must be easy
