Three days, eight hours, fourteen minutes gone.
You bend, I break.
Like in every song.
Maybe i'm too scared to call...
Maybe i'm too tough to fall.
Everything, you are.
Everything, reminds of.
Everything you are.
Fades to black
Everytime i see your face
Yeah.
Screaming the secrets we shared.
Oh wa oh, oh.
We fade to back.

I called out for your warm embrace.
Feel your tears fall, upon my face.
What makes me so bullet-proof.
What makes me act soo move.

Everything, you are.
Everything, reminds of.
Everything you are.
Fades to black.
Everytime I see your face.
Yeah.
Screaming the secrets we shared.
Oh wa oh, oh.

Feels like i'm runnin', runnin' as fast as I can.
Fells like i'm tryin', tryin' to understand.
Why I keep crashin' as hard as I can.. into you.

da, da, da, da, da, da, da, da

Everything, you are.
Everything, reminds of.
Everything you are.
Fades to black.
Everytime I see your face
Yeah.

Screaming the secrets we shared.
Oh wa oh, oh.
Everything, you are.
Everything, reminds of.
Everything you are.
Fades to black.
Everytime I see your face.
Yeah.
Screaming the secrets we shared.
Oh wa oh, oh.

We fade to black.
