Golden

Wake up, Wake up
Don't wanna wake you
Oh sun be true bright
So I can wake you
oh sun fallow through
fallow through fallow through

Sit up confused
so I have made you
oh rain fall too hard
so I can keep you
oh rain don't fallow through
fallow through don't fallow through

Your golden
your gold unto you
your golden
your golden unto you
to me theres gold in you
to me theres gold in you

sleep in
sleep in
don't wanna wake you
heart beat don't beat too loud

am I just waitin
oh fallow you
fallow you fallow you

Your golden
your gold unto you
your golden
your golden unto you
to me theres gold in you
to me theres gold in you

oooooooooh yeah theres gold in you
you got some gold in you
you got some gold in you

your golden your golden
your golden
your golden yeah
your golden
your gold onto you
your golden
your gold unto you
to me theres gold in you
to me theres gold in you
