I watched you fall  
saw the look in your eyes  
then my knees gave way,  
and I heard you say.

Baby don't be scared,  
I'm right here.  
I'll always be right here,  
By your side..

I watched you slip away..  
I wanted to do the same.  
Just walk away, and drop everything.  
then your voice came to me.

I know I can't walk away,  
can't give up. Oh baby  
maybe one day, but I know  
I can't walk away from  
something I will always miss.

I walked away from your room  
that day...tears in my eyes  
and your voice strong in my heart.  
Baby I will never let you go.
