You got time, If time is what you needed  
You're not mine, I'd rather not believe you're fine  
Rather think you're up all night.

You're alright, You knew me when you met me  
Let's not fight, I'm just a little feisty  
Maybe, maybe I would lose my mind

I don't wanna Let you go away  
I don't wanna Let you go - Boy

I just wanted your love  
I just need a bit of your love  
I just wanted your love

I don't wanna let you go

You got steam, The wheels are turning  
It's just me, I'm crashing and I'm burning  
Shouldn't we be making out?

You got guts, Guts is what I need now  
I don't mind, I'm starting to believe it's over  
Tell her "I loathe her"

I don't wanna let you go away  
I don't wanna let you go - Boy

I just wanted your love  
I just need a bit of your love  
I just wanted your love

I don't wanna let you go

Ha!

Letting you go  
Letting you go  
Letting you go  
Letting you go  
Letting you go

Yea yea

I don't wanna let you go away  
I don't wanna let you go -Boy

I just wanted your love  
I just need a bit of your love  
I just wanted your love

I don't wanna let you go
