You said, I was your everything
You said, I was the one
You played me like a radio
You used to love that I had no shame

Put my pain into words
Hold my hand to the flame

Tell me you'll love me like a star
Tell me you want me wherever you are
Tell me you'll breathe me till your last breath

Liar, liar
Oh, liar, liar

Bit by bit I feel the drought
Just sit back and watch it burn
Hold your eyes up to my veins
Call out, call out my name

Tell me you'll love me like a star
Tell me you want me wherever you are
Tell me you'll breathe me till your last breath

Liar, liar
Oh, liar, liar
Liar, liar
Oh, liar, liar

Tell me you'll love me like a star
Tell me you want me wherever you are
Tell me you'll breathe me till your last breath

Liar, liar

Oh, tell me you'll love me like a star
Tell me you want me wherever you are
Tell me you'll breathe me till your last breath

Liar, liar
Oh, liar, liar
