I forgot what this is all about  
Lost, surrounded by a storm of doubt  
I make it so hard  
Hard enough to keep it up  
And I can't give in  
to what they want  
And I'm not gonna

I wanna live like music  
I wanna live like music  
Songs about justice  
Songs about love  
Songs about freedom  
And never giving up  
I wanna live like music

I'm not so sure with who I am  
Now, it's gotten way outta hand  
I spread too thin  
And it's hard enough to zero in  
On the heart of it  
The soul of it  
And now I know that

I wanna live like music  
I wanna live like music  
Songs about justice  
Songs about love  
Songs about freedom  
And never giving up  
I wanna live like music

Music  
like music

I'm gonna take it back  
To the cafe bars  
Show you what I got  
With my guitar  
And I'm not gonna hold anything back  
Gonna strip it right down  
Put it on the floor track

Oh yeah, yeah yeah  
Hey

I wanna live like music  
I wanna live like music  
Pouring out the windows  
Rolling down the street  
Punching every station  
Singing lovely and sweet  
I wanna live like music  
Like music  
Like music
