Gonna wait under water  
Gonna wait under water  
Gonna stay under the weather  
Gonna stay under the weather

Yeah, yeah, yeah

In the cradle, cat's got your money  
Bombs are droppining, police a-comin'  
Telling tales, feels like ya running  
Never stopping, oh, givin' you nothin'

Turning tables turn the town  
Waiting 'til they all taking you down  
Waiting in lost and found

Who's gonna say that you can't be walking on water?

On the hill, looking over  
On the hill, leaning over  
Try to sail over land  
Make a stand, I've got your hand

Yeah, yeah, yeah

In the cradle, cat's got your money  
Bombs are droppining, police a-comin'  
Telling tales, feels like ya running  
Never stopping, oh, givin' you nothin'

Turning tables turn the town  
Waiting 'til they all taking you down  
Waiting in lost and found

Yeah, yeah, yeah

Who's gonna say that you can't be walking on water?

Yeah, yeah, yeah

Who's gonna say that you can't be walking on water?

Yeah, yeah, yeah

Who's gonna say that you can't be walking on water?

Yeah, yeah, yeah

Who's gonna say that you can't be walking on water?

Who's gonna say that you can't walk on water?

Who's gonna say that you can't walk on water?

Who, is, gonna, say, that, you, can't -

Walk on water? Oh, oh

Walk on water, oh, oh

Who is gonna say that you can't -

Walking on water

You're walking on water

Yeah, yeah, yeah

In the cradle, cat's got your money

Bombs are droppining, police a-comin'

Telling tales, feels like ya running

Never stopping, oh, givin' you nothin'

Turning tables turn the town

Waiting 'til they all taking you down

Waiting in lost and found
