Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
I give up - you ain't no man, Mr.Mailman

I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

I wear a smile, I'm lookin' low
And underneath

I feel ya come before the storm
It's rollin' up the street

Don't need a letter, doesn't matter
I'll kill the messenger, oh

It comes around again, keepin' all
my windows shut - come in with paper?
And I'll papercut all ya fingers up
Makin' me shiver and then I sweat -

I'll kill the messenger

Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
I give up - you ain't no man, Mr.Mailman

I give up comin' around

Always puttin' me down, I give up
I hope you're gone when I be comin' down

It isn't right, it's keepin'
everyone awake, everyone

I can feel ya around me, and make the
very Earth shake - keep your news.
I'll kill the messenger

I don't wanna know
No, I don't really like ya games
Not when the sky is fillin' up
With paper air-ah-planes

Your letter came -
I'll kill the messenger

Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
I give up - you ain't no man, Mr.Mailman

I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

All lived up to me
I don't understand
The paper in the wind
I'll kill the messenger
Doesn't make a sound
This paper in my hand
I don't understand
I'll kill the messenger

I'm gonna -
gotta -
Kill the messenger

Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
I give up - you ain't no man, Mr.Mailman

I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down

Mr.Mailman, not a fan, Mr.Mailman
I give up - you ain't no man, Mr.Mailman

I give up, givin' up
Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, not a fan, Mr.Mailman
Just give me something I can stand

Mr.Mailman, I give up comin' around
Always puttin' me down, I give up
I hope you're gone when I be comin' down
