Late at night
hear the song spinnin' in my head
Heaven knows I can't sleep at all
Thinking' bout all my stuff
missin' my own bed and all my friends
but it's too late to call

Hangin' out all day at the Holiday Inn
Waitin' such a drag until the band kicks in

I don't know where the next road goes
But I feel the wheels rolling down below me
Take my sweet time
I'm gettin it back again
What matters most will carry me
Through the night to where I wanna be, baby
Take my sweet time
But I'll be home again
In my own sweet time

Pour it out
every night and it feels so good
How it works is a mystery
But i believe in my heart i'm doing what i should
with all these lost souls following

Waiting all day until ---begins
I love how it feels when the band kicks in
I don't know where the next road goes
But i feel the wheels rolling down below me
Take my sweet time
I'm gettin it back again
What matters most will carry me
Through the night to where I wanna be, baby
Take my sweet time
But I'll be home again
In my own sweet time, yeah

Maybe when this is over
I will understand
What I got right here in my hands
ye-ah

Baby-yy, Oh
Oh oooOooo yeah yeah yeah
I don't know where the next road goes
But I feel the wheels rolling down below me
Take my sweet time
I'm gettin it back again
What matters most will carry me
Through the night to where I wanna be, baby
Take my sweet time
But I'll be home again
In my own sweet time, yeah yeah

In my own sweet time
yeah, yeah
In my own sweet time
Yeah
