There's a voice that I can't see  
Sometimes in dreams it calls to me  
I hear a voice but no one's there

It says in song  
You best beware

It's up to you  
You got to choose  
Are you gonna win?  
Or are you gonna lose?

You got to never give up  
Or never give in  
And when you fall down  
You got to get back up again  
You know you got to be a fighter  
If you're ever gonna win (Hey)  
You got to never give up  
Or never give in

When something's trying to pull me down  
I'm feeling weak  
I can't go on  
I got to lean on something strong  
I feel these words carry me on

It's up to you  
You got to choose  
Are you gonna win?  
Or are you gonna lose?

You got to never give up  
Or never give in  
And when you fall down  
You got to get back up again  
You know you got to be a fighter  
If you're ever gonna win

It says in song  
You best beware

It's up to you  
You got to choose  
Are you gonna win?  
Or are you gonna lose?

You know you got to be a fighter  
If you're ever gonna win

You got to never give up  
Or never give in

Never give up  
Never give in

And when you fall down  
You got to get back up again  
You know you got to be a fighter  
If you're ever gonna win.....(Hey)

You got to never give up  
Or never give in
