Molly:

What are the chances
there'd be you and me?
There is no might have been,
I say it's destiny

Annie:

Out of all of the lives
we could live
all of the love
we could give

Molly:

Who would ever guess,
out of all the rest,
that you would be here with me?

Molly:

Oh!

Both:

It's a one, one, one in a million world
And we're two, two, two in a billion
in a one in a million world

Zillion stars in the sky
Planets all spinning by

Take away what might have been
And here we are again

It's a one, one, one in a million world.
