Sorry, I left you at the altar
Or for flirting with your father
Sorry I ever even bothered

Shake, shake, shake it off

I'm sorry I didn't like your mother
Maybe I never should have shot her
Why don't you put me under water?

Shake, shake, shake it off

I guess you didn't see the warning
I guess you did not see that big red light
Oh my lord, it's almost morning
Bang, bang, bang, bang
And another one falls

Baby, honestly, I'm sorry
But you are the ending to my story
Oh, did you really think
You'd ever stop me?

Shake, shake, shake it off

Too late, you're standing in my door way
Too bad it had to happen this way
Bad luck it had to be a Sunday

Shake, shake, shake it off

I guess you didn't see the warning
I guess you did not see that big red light
Oh my lord, it's almost morning
Bang, bang, bang, bang
And another one falls

I'm losing my mind
I'm losing my mind
I'm losing my mind
I'm losing my mind

I guess you didn't see the warning
I guess you did not see that big red light
Oh my lord, it's almost morning
Bang, bang, bang, bang
And another one falls

Guess you didn't see the warning
(I guess you didn't see the warning)
I guess you did not see that big red light
Oh my lord, it's almost morning (Almost morning)
(It's almost morning!)
Bang, bang, bang
Ban-ban-bang
And another one falls
And another one falls
And another one falls
And another one's falling
