Sunshine reigns
Sunshine, sunshine reigns

Na na na na
Na na na na

I try to smile

Na na na na
Na na na na

I see the world
Through tear filled eyes
I see the rain falling down
I try to smile, but there's no disguise
I see the pain all around

Has the search for revelation
Somehow made us blind
Do we have the wisdom
To know we've crossed the line

And can we shower our love one more day
Can we shower our love on the pain
If we shower our love on the pain
Sunshine reigns
Sunshine reigns
Yeah yeah yeah yeah

It's time for us
To make a change
Living in our final hour
But take the time
To rearrange
It's all within all the power

So we're sending out a message
To each and everyone
If we put our hearts together
We can live as one

And can we shower our love one more day

Can we shower our love on the pain
If we shower our love on the pain
Sunshine reigns
Na na na na
Yeah yeah yeah yeah

Ships are flyin
Boats are flyin
People dyin
Can you hear their voices calling?

Country siding
People lying
Thunder starting
Can't you see the skies falling?

We can shower our love on the pain
We can shower our love on the pain
We can shower our love on the pain
Sunshine reigns
Oh yeah Yeah oooh yeah
Sunshine reigns
