She'll take your time  
She'll give it all away  
Holding on to your tails leaving you astray

Oh she'll take it  
Taking it she'll run  
Running and running and running and running until  
you're done

She'll leave you dry  
Sore on the floor  
Salt in your eyes and a wound in your soul

She's in the dark  
She's stealing angel's wings  
Love's transfused  
Sacrificing everything

I'm a taker take me back Steven  
You ever said I wouldn't fight my way through  
I'm a taker take me back Steven  
What will it take to get me through to you?  
I'm a taker not a heartbreaker  
Whoever said I wouldn't fight my way through  
I'm a taker taking from the start  
I'm just a taker who didn't mean to break your heart

She's with the devil  
Walking by his side  
She'll stake you're heart when she looks you in the eye

She's says: "Forgive me! I didn't mean to!"  
Full of every burden and she's full of every lie

She'll leave you dry  
Sore on the floor  
Salt in your eyes and a wound in your soul

Don't forgive her  
Don't believe  
She's on a mission and this girl is me

She say  
I'm a taker take me back Steven  
You ever said I wouldn't fight my way through  
I'm a taker take me back Steven  
What will it take to get me through to you?  
I'm a taker not a heartbreaker

Whoever said I wouldn't fight my way through  
I'm a taker taking from the start  
I'm just a taker who didn't mean to break your heart

You think you know think you know think you know, but  
you don't  
You think you're right think you're right think you're  
right, but you're wrong

I'll never let you know  
I'll never let you know  
I'll never let you know  
I'll never let you know  
I'll never let you know  
I'll never let you know  
I'll never let you know

I'm a taker take me back Steven  
You ever said I wouldn't fight my way through  
I'm a taker take me back Steven  
What will it take to get me through to you?  
I'm a taker not a heartbreaker  
Whoever said I wouldn't fight my way through  
I'm a taker taking from the start  
I'm just a taker who didn't mean to break your heart

I'm just a taker who didn't mean to break your heart  
I'm just a taker who didn't mean to break your heart  
I'm just a taker who didn't mean to break your heart  
I'm just a taker who didn't mean to break your heart

It didn't mean it didn't mean anything  
It didn't mean it didn't mean anything
