[Verse 1]

It's out to get me
And It's all in my head
It wants to take me
Time to put me to bed
Can someone wake me?
Against my own will
And get me out of here
I'm Sick of walking on pills
I've got a weakness
So tell me where is the bliss?
Can someone shake me?
And get me out of this fix?
All the white walls
Are closing in tight
I need to know
If I can get through the night

It wont let me
Everybody's out to get me

[Chorus]

Tell me that the lies aren't what they seem
Oh that the heaven screams all that I dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown

[Verse 2]

All the vampires
Are out on the look
but do they see me
How long will it take
To chase the monster
That's still in my head
It's all I see
And it needs to be fed
I have the witness

(it wont)
To what has been done

(let me)
It sorta had me
(everybodys out to)
And I think it has won
(get me)

[Chorus]

Tell me that the lies aren't what they seem
Oh, that the heaven screams all that I dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown

[Bridge]

Oh breakin down, breakin down, and what you really
want

All I've done today breakdown
Oh outta the way it's all a frown
Oh still again sit down
Oh I've done it again breakdown
Oh I've done it today breakdown
Oh outta the way it's all a frown

It won't let me
Everybody's out to get me

[Chorus]

Tell me that the lies aren't what they seem
Oh, that the heaven screams all that I dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
