I got no clothes for you to borrow  
But I got places you can lay your head  
I don't read books that I can lend ya  
But I can see your history's been read

You know that I've been looking at ya  
And I can see that they have poisoned your head  
I got no place that I can send ya  
Got holy water here instead

It makes me stop and wonder  
What spell have I been under?  
Who taught you the voodoo that you do?  
But I can see your glory  
I wanna write your story  
Somebody's voodoo's got me binded to you

I know you're looking at your shadow  
And getting by by the kindness of strangers  
You got me wearing my stilettos  
And now I'm looking out for any kind of danger  
You got the prowl of a tiger  
Ya baby I can see your stripes  
You got me hanging on your wire  
At any moment you could strike

It makes me stop and wonder  
What spell have I been under?  
Who taught you the voodoo that you do?  
But I can see your glory  
I wanna write your story  
Somebody's voodoo's got me binded to you

It makes me stop and wonder  
What spell have I been under?  
Who taught you the voodoo that you do?  
But I can see your glory  
I wanna write your story  
Somebody's voodoo's got me binded to you

And even when it's eating me alive  
Your power ties my spirit up inside

There's nothing I can do to make it right  
I'll follow you forever through the night  
I'm part of you for the rest of my life  
The spell upon my heart won't let me lie  
I'll be here now until the day we die  
That voodoo is the one that will decide  
Somebody's voodoo  
Can I make it through tonight?  
Somebody's voodoo  
I make it through  
Somebody's voodoo  
Can I make it through?  
Somebody's voodoo  
Can I make it through?  
Somebody's voodoo

It makes me stop and wonder  
What spell have I been under? (Somebody's voodoo)  
Who taught you the voodoo that you do?  
But I can see your glory (Somebody's voodoo)  
I wanna write your story  
Somebody's voodoo's got me binded to you

It makes me stop and wonder (Somebody's voodoo)  
What spell have I been under? (Somebody's voodoo)  
Who taught you the voodoo that you do?  
But I can see your glory  
I wanna write your story  
Somebody's voodoo's got me binded to you  
(Somebody's voodoo)

Somebody's voodoo  
Somebody's voodoo  
Somebody's voodoo  
Somebody's voodoo
