Way down among the Brazillians, coffee beans sell by
the billions
So they have to find those extra cups to fill
They've got an awful lot of coffee in Brazil
You date a girl and find out later she smells like a
perculator
Her perfume was made right on the grill
They've got an awful lot of coffee in Brazil
No tea (No tea) or tomato juice (Or tomato juice)
You'll see (You'll see) no potato juice (No potato juice)
All the farmers in Africa say, "Hey, hey"
A politician's daughter was accused of drinking water
and was fined a great big fifty dollar bill
They've got an awful lot of coffee in Brazil

A whole lot of coffee in Brazil

They've got an awful lot of coffee in Brazil
No tea (No tea) or tomato juice (Or tomato juice)
You'll see (You'll see) no potato juice (No potato juice)
All the farmers in Africa say, "Hey, hey"
And when their ham and eggs need saving, coffee
ketchup gives 'em flavour
Coffee pickles way outsell the pill
They put coffee in the coffee in Brazil

A whole lot of coffee in Brazil

They've got an awful lot of coffee in Brazil

They've got an awful lot of coffee in Brazil

They've got an awful lot of coffee in Brazil
In Brazil
They've got an awful lot of coffee in Brazil

A whole lot of coffee in Brazil

A whole lot of coffee in Brazil
