Going to California
I got my bags by the door
And I'm ready to leave
So yeah I'm moving forward
I'm on my way to find out
Where I need to be
Cause every moment now
Is what I believe somehow
Would be my reality
Alright now
Chorus:

There's no other feeling like it
The only way I can define it
Is that I'm on my own
It somehow feels like home
There's no other feeling like it
So real that I can't deny it
I don't feel alone
It somehow feels like home
Walking in California
Making my way down Sunset Boulevard
Everyone looks familiar
So perfect like a picture
From a magazine
Cause every moment now
Is what I believe somehow
Will be my reality
Chorus:

There's no other feeling like it
The only way I can define it
Is that I'm on my own
It somehow feels like home
There's no other feeling like it
So real that I can't deny it
I don't feel alone
It somehow feels like home
Failure never crossed my mind
I take a chance every time
And I will spread my wings,
I will spread my wings

I've never been afraid to try
Put everything on the line, one the line
Alright now
(4x)
Cause there's no other feeling like it
So real that I can't deny it
I don't feel alone
It somehow feels like home
Somehow feels like home to me
Somehow feels like home
Somehow feels like home to me
Walking in California
Making my way down Sunset Boulevard
