Shot!...

Like an arrow through my heart

That's the pain I feel...

I feel whenever we're apart

Not to say that I'm in love with you...

But who's to say that I'm not?

I just know that it feels wrong when I'm away too long

It makes my body hot

So let me tell you baby...

I'll tell your mama...

I'll tell your friends...

I'll tell anyone whose heart can comprehend

Send it in a letter, baby, tell you on the phone...

I'm not the kind of girl who likes to be alone (I miss you much)

Boy-oh-I miss you much (I really miss you much)

M-I-S S you much (I miss you much)

Boy-oh-I miss you much (Baby, I really miss you much)

M-I-S S you much

I'm rushing home... just as soon as I can (...uh!)

I'm rushing home to see your smiling face and feel  
your warm embrace

It makes feel so g-g-g good

So I'll tell you baby...

I'll tell your mama...

I'll tell your friends... (...tell friends)

I'll tell anyone whose heart can comprehend (...baby!)

Send it in a letter, baby, tell you on the phone... (Ooh-oh!)

(Ooh-oh!) I'm not the kind of girl who likes to be alone (I miss you much)

Boy-oh-I miss you much (I really miss you much)

M-I-S S you much (I miss you much)

Boy-oh-I miss you much (Baby, I really miss you much)

M-I-S S you much (I, I... I miss you much)

Boy-oh-I miss you much (I really miss you much)

M-I-S S you much (I really miss you much)  
(I miss you much!) Boy-oh-I miss you much (Baby, I  
really miss you much)  
M-I-S S you much

(Miss you... much) I miss you much  
I... really, really miss you much  
(Miss you... much) I miss you much  
I'm not ashamed... to tell the world... I miss you

I'll tell your mama... (Ma, ma, ma, ma, ma...)  
I'll tell your friends... (I tell your friends)  
I'll tell anyone whose heart can comprehend (...baby!)  
Send it in a letter, baby, tell you on the phone (Send it  
in a letter... tell you on the phone)  
I'm not the kind of girl who likes to be alone (I miss you  
much)

Boy-oh-I miss you much (I really miss you much)  
M-I-S S you much (Really miss you much, baby)  
(I miss you much) Boy-oh-I miss you much (Baby... I  
really miss you much)  
M-I-S S you much (I really miss... I really miss... I miss  
you much)  
Boy-oh-I miss you much (Yeah, I really miss you much)  
M-I-S S you much (I miss you much)  
Boy-oh-I miss you much (Really, really miss you much)  
(Baby... I really miss you much) M-I-S S you much

That's the end?
