Four o'clock in the morning, and I'm still awake
Four o'clock in the morning, and another heart breaks
Remembering the good times that we have been
through
Oh and I'm pleading guilty of loving you

And If We Don't Belong Together
Then where do we belong
I never felt so sure of myself
I never felt, never felt so strong

If anybody's asking, well there's not much to say
If anybody's asking I'm just turning away
And I'm not good at forgetting, and I always find
Oh living without you is just running blind

And If We Don't Belong Together
Then where do we belong
I never felt so sure of myself never felt so strong
And If We Don't Belong Together
Something must be wrong
If We Don't Belong Together
Then where, where do we belong

And If We Don't Belong Together
Then where do we belong
I never felt so sure of myself
I never felt, never felt so strong

And If We Don't Belong Together
Something must be wrong
And If We Don't Belong Together
Then where do we belong
Where do we belong
