I never thought how easy it could be.  
Slithering her stomach  
Tore apart her soul to burn  
Carved up and ripped her bowels out

I rip, I carve, I puke devour  
I cut, I butcher, blood cum vomit

My hands inside her flesh  
Her breath of death I consume  
I tear her womb to pieces  
Carved up and ripped her bowels out

I rip, I carve, I puke devour  
I cut, I butcher, blood cum vomit

I rip, I carve, I butcher  
I puke devour  
I cut, I carve, I butcher  
Blood cum vomit

I never thought how easy it could be.  
Slithering her stomach  
Tore apart her soul to burn  
Carved up and ripped her bowels out

I rip, I carve, I butcher  
I puke devour  
I cut, I carve, I butcher  
Blood cum vomit
