Don't look at me, you idiot
Your evil eyes and you
Don't make me feel like shit

Go back to where you belong
Where you can be amused
By your empty minded peers

Why anyone likes you
No one will ever know
Fuck are you gonna do?
I hate the way you are

Yeah, you are a numbskull, yeah, you
And everyone knows it
Yeah, you are a numbskull, yeah, you
And everyone knows it

You're like a joke that every one keeps repeating
It goes on and on and that's far past its meaning
I'm tired of dealing with you
I'm tired of looking at you

Why anyone likes you
No one will ever know
What the fuck are you gonna do?
I hate the way you are

Yeah, you are a numbskull, yeah, you
And everyone knows it
Yeah, you are a numbskull, yeah, you
And everyone knows it

Why anyone likes you
No one will ever know
The fuck are you gonna do?
I hate the way you are

Yeah, you are a numbskull, yeah, you
And everyone knows it
Yeah, you are a numbskull, yeah, you
And everyone knows it

Yeah, you are a numbskull, yeah, you
And everyone knows it
Yeah, you are a numbskull, yeah, you
And everyone knows it
