Setolu Kat Minx-

Love, love is what i've always been growin' for you
Deep inside my heart its always growin' for you
But I could never let it through
Time, time just freezes when i'm only lookin' at you
You take my breath away there's no one but only you
Yes these dreams do come true.
(Hummin' in the background)

Nick Yein-

Yo..... Yo.....

Hey Baby Gal, lemme tell you, you're my world.
Its been a year now & we've been through it all.
I'm Sorry for all the pain, i just had this Wake Up Call.
I'll never hurt you again, imma never let you fall.
Though our love story's a lil' bit old,
Each day's new chapter, a story untold.
My heart starts pumpin' fast, when you are around,
Cupid shot me in the heart, it knocked me to the
ground.
Pretty gals all around but none like you,
Cause you my number 1, my only Baby Boo.
Some times are tough, some times are hard,
But dont be afraid,
Imma light up the Spark.
Guidin' you all the way through each boulevard,
We'll make it up together, we'll make it through the
dark.
You the only one who admires my art,
So this one's for you, i'm givin' you my Stereo Heart.

Setolu Kat Minx-

Two lil' lil' hearts one is yours, another's mine
And maybe we are meant to be cause we both love the
sunshine.
Floatin' in the clouds so high, make that our lil' cloud 9.
(Aite....we can do that, yeah.....)
I think my heart sent you a secret text sayin' "i've been
waitin' for you".

Lets go love & dance in the rain,
Maybe then i'll give you a big kiss on the forehead, on
the cheeks
To tell you all the secrets of my heart...

Setolu & Nick (Together) -

Love, love is what i've always been growin' for you
Deep inside my heart its always growin' for you

Aite.....Yeah
Holdin' hands, while we datin',
Love mode now, activatin'.
Ya'll haters, keep on hatin',
All em' wannabe's, imitatin'.
Paparrazi's, camera's flashin',
News is now, circulatin'.
I cant control now, i'm fallin' in,
Where i am at, i've never been.
Feels like heaven, Christ within',
Thanks to you, my mighty Queen.
We so fly, we can touch the sky,
No one's there just You And I.
Hold On Tight & Close Your Eyes,
KAT will sing you now, a Lullaby.
Our love is crazy, our love is wild,
Let's do it now, GANGNAM STYLE
