Hey !

V1:

When I see you  
I have no sight  
It's like I'm in the dark

When I lay you  
Try to sway you  
You don't get remark

Chorus:

But I just can't wait  
To come over late  
To stroll through your gates, oh!  
You just make me wait and wait, dear

V2:

When you touch me  
Feels so lovely  
Like Frank, we'll swim good

I'm above the  
Edge of bluffing  
I hope it's understood

Chorus:

But I just can't wait, no!  
To come over late  
To stroll through your gates, oh!  
You just make me wait and wait, dear

Breakdown

You can blow me down  
You can blow-ow-ow me down  
I won't make one sound, dear, dear  
I won't ma-a-ake one sound, sound

You can blow, blow, blow, blow, blow!  
You can blo-ow-ow me down!  
You can blow

Blow!  
Blow!  
Blow!  
Blow blow blow blow, blo-o-ow ooh oh
