There's an island by the name of Caracull.
Follow me and baby I will follow you.
Ain't got no friends to ring if I should take your hand.
But we can make one as we're playing in the sand.

You'll push me in the water but I'll pull you as I fall.
And then we'll kiss, until we're feeling something on us
crawl.
We'll run up out the ocean while we're screaming
soaking wet.
But it don't matter cuz the sun will dry us in a sec.

Oooh, if nothing's everything you've wanted in
exchange for love.
Then oooh, you're something that I've always wanted,
and been dreaming of.

A-and we'll leave our records playing all day long.
A-as the breeze blows from the sea's and sings along.
Where we cook and sleep and eat may only have four
walls.
But together there's no wolf that can ever make them
fall.

Now every day won't be a perfect fairy tale.
But just think of all the stories that we'll tell
To all our children, I want 10 or maybe 12.
And you'll say yes if I can push them out myself.

Oooh, if nothing's everything you've wanted in
exchange for love.
Then oooh, you're something that I've always wanted,
and been dreaming of.

I-if your promise is as harmless as you say.
Baby I saw__ our love, so lead the way.
Oooh baby, if our love should go astray,
Know that we can conquer everything and everything.

If it rains, anything. When it pours, give me more.
You are mine, I am yours until we grow old.
I'd like to stay. Find me when you wake up,

I'll find you when I wake up

Oooh, if nothing's everything you've wanted in
exchange for love.

Then oooh, you're something that I've always wanted,
and been dreaming of.
