And they called it puppy love
Oh i guess they'll never know
how a young heart really feels
and just why i love her so
and they called it puppy love
just because we're in our teens
tell them all
please tell them it isn't fair
to take away my only dream
i cry each night
my tears for you
my tears are all in vain
i hope and i pray
that maybe someday
you'll be back (you'll be back) in my arms(in my arms)
once again
someone help me
help me
help me please
is the answer up above?
how can i

oh how can i tell them
this is not a puppy love
someone help me
help me
help me please
is the answer up above?
how can i
oh how can i tell them
this is not a puppy love
(this is not a puppy love)
(this is not a puppy love)
not a puppy love
(this is not a puppy love)
