I don't have to
I don't have to
I don't have to
I shouldn't have to

Door closed behind you
And you just know you're left outside
Then take your bags in hand
Look for a place to hide away

No one will find you, it's true
Wonder if they miss your face
But this is real life now
There is no saving grace at all

You see they've still got smiling faces
I don't have to
Stuck out in all of the wrong places
I don't have to
Feels like your friends they barely know you
I don't have to
Sometimes it's okay to feel blue
I shouldn't have to

They change the locks keys
Erasing memories of you
Shelter under an old oak tree
Awoken by the morning dew

All hope seems so corrupt
My clothes are worn and torn
Wish the ground would swallow me up
Even just to keep me warm awhile

You see they've still got smiling faces
I don't have to
Stuck out in all of the wrong places
I don't have to
Feels like your friends they barely know you
I don't have to
Sometimes it's okay to feel blue
I shouldn't have to

No, I don't have to
I don't have to
I don't have to
I shouldn't have to
