M-trill don come again, M-trill don come again
Oya na, carry go, dutty wine to the beat na so,
The way u cheat with the hips, wa yo
Smoking hot to the tip, claro
I follow, body makes no difference
See your body is the truth, no pretence
So messi with the moves, no defence
Its like barca in the sequence
When u move like the red and blue
Oo girl am scared of you
Sweet like you edible
I've heard of you? Never, who?
No way, no girl, no baby
Rumuigbo with the moves, u crazy
I don stand like a soldier now
Salute to a vixen, oya na

[Chorus 2x]

Make me want to spend my money on your body
