good times for a change
see, the luck I've had
can make a good man
turn bad

so please please please
let me, let me, let me
let me - get what I want
this time

get what I want this time
haven't had a dream in a long time
see, the life i've had
can make a good man turn bad

so for once in my life
let me get what i want
lord knows, it would be the first time
piano instrumental

lord knows, it would be the first time
piano instrumental

so please please please
let me, let me, let me
let me - get what I want
this time
piano instrumental

so for once in my life
let me get what I want
lord knows it would be the first time
piano instrumental

lord knows it would be the first time
piano instrumental

lord knows it would be the first time
