If Santa were my Daddy I'd be good  
Every single day of the year  
I bet you think I couldn't do it  
Yeah I could  
With such a jolly gentleman so near

I'd always try to be the kind of boy  
Santa'd want his son to be  
Helpful and friendly  
Especially when he had his twinkling eye on me

I would dress exactly like my Daddy  
I would learn to laugh his "Ho ho ho"'s  
Maybe he would even teach me how to fly  
My little finger aside of my nose

And maybe I would grow a snow white beard  
And try to learn to turn with a jerk  
Then finally when all the Clause's disappear  
My Daddy would retire from his work  
And I would be the one to take his place  
Spreading all the Christmas joy  
I'd be more than willing,  
Wow, would it be thrilling  
If only I were Santa's boy

And I would be the one to take his place  
Spreading all the Christmas joy  
I'd be more than willing,  
Wow, would it be thrilling  
If only I were Santa's boy

(Santa's boy, Santa's boy, Santa's boy.....)
