Girl, when you hold me
How you control me
You bend and you fold me
Anyway you please

It must be easy for you
The loving things that you do
But just a pastime for you
I could never be

And I never know, girl
If I should stay or go
'Cause the games that you play
Keep driving me away

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
And let the reason be love

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
Let the reason be love

Kisses and caresses
Are only minor tests, babe
Of love lead to stresses
Between a woman and a man

So if love everlasting
Isn't what you're asking
I'll have to pass, girl
I'm proud to take a stand

I can't continue guessin'
Because it's only messin'
With my pride and my mind
So right now, it's time to tell you

Don't love me for fun, girl
Let me be the one, girl

Love me for a reason
Let the reason be love

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
Let the reason be love

Ooh baby, I'm just a little old fashioned
It takes more than a physical attraction
My initial reaction is
Honey, give me love, not a facsimile of

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
Let the reason be love

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
Let the reason be love

Don't love me for fun, ooh baby
Let me be the one
Love me, love me for a reason
Let the reason be love, be love

Don't love me for fun, girl
Let me be the one, girl
Love me for a reason
Let the reason be love
