'A' my name is Alice and my boyfriend's name is Andy
We come from Alabama and we like apples
'A' my name is Alice and I want to play the game of love

When you were only nine, I used to watch you playing
You used to bounce your rubber ball and
I'd look at you for hours, saying

'A' my name is Alice and my boyfriend's name is Andy
We come from Alabama and we like apples
'A' my name is Alice and I want to play the game of love

When you were seventeen, you used to bring me
flowers
I couldn't help remembering the ways I'd spend my
hours
Saying

'A' my name is Alice and my boyfriend's name is Andy
We come from Alabama and we like apples
'A' my name is Alice and I want to play the game of love

We just can't play to be together, I want to be your
bride
Then we'll hear our little girl singing
Every time we look outside

'A' my name is Alice and my boyfriend's name is Andy
We come from Alabama and we like apples
'A' my name is Alice and I want to play the game of love
