Always askin' where I'm goin' like I needa get your
permission,
When I'm hangin with my girls, you act like I'm out with
other boys,
Don't understand what the deal is what's the problem
it's my business,
You know I'm loyal and it's the truth, so please back up

(Chorus) Lindsey & Smiley:
Blaise blaise blaise where you been?
Don't wanna hear your blaise blaise blaise
Over the phone, get outta my ear, blaise blaise blaise,
You talkin noise, you killin me with your blaise blaise
blaise,
Blaise blaise blaise hush

(Verse 1)- Smiley
So quick to blame me for, bein' out with your homies
boy,
Don't try to make me feel like the bad guy, when I'm the
victim, oh,
Boy you need to get you some help, before I go on and
find somebody else,
Tired of you accusin' me, so don't come to me with all
of that,

(Chorus) Lindsey & Smiley:
Blaise blaise blaise where you been?
Don't wanna hear your blaise blaise blaise
Over the phone, get outta my ear, blaise blaise blaise,
You talkin noise, you killin me with your blaise blaise
blaise,
Blaise blaise blaise hush

I bet you're out with other girls... blaise... hush

I bet you're out with other girls while you're pointin'
fingers at me, and
Boy I'm not in a rush to hear that you're playin me, but
boy if you're in
The wrong, you better let me know cause, if I find out
on my own, you will

Be hearin'

(Chorus 2)

Blaise blaise blaise where you been?

You playin me boy?

Blaise blaise blaise tell me how long, has it been goin
on?

Blaise blaise blaise accusin' me, you killin me with your
blaise blaise

Blaise, blaise blaise blaise hush!

Hush hush hush, blaise, blah blah blaise hush
