New York Fades Away
Through Sheets Of Grey
Through Evening Haze
Another Homeward Flight
Those Crazy Nights
Are Over Now

So What If I Love It
We Always Rise Above It
When We Have To Go

Another Mild November
Those Curling Leaves
Are Clinging For Life
What's Left To Think About
In Freezing Days And Colder Nights?

I Found Love So I Grabbed It
How Long Can I Have It?
I Don't Want To Know

Looking Back And Feeling It All
It Was Worth The Hardest Fall
To Find My First Port Of Call
When My Blue Skies Fall

New Yorks Etched In My Mind
In Crystal Lines Of Frozen Time
When Only Distance Divides
How Do You Keep The Feelings Alive?

I Found Love So I Grabbed It
How Long Can I Have It?
I Don't Want To Know

Looking Back And Feeling It All
It Was Worth The Hardest Fall
To Find My First Port Of Call
When My Blue Skies Fall
