When I pull up people so fresh in my ride  
We smoke the best you can buy  
Them niggas talking it but they just don't go harder  
than us  
Keep stunting just cause I can  
These hoes know just who I am  
Them niggas talking it but they just don't go harder  
than us

This one's for the g's all black chucks on the cuffs on  
my jeans  
King size papers stuffed full of trees, I be with the boss  
dawg yall fuck niggas fleas,  
Now they say I'm hot hundred something degrees,  
taking pictures with a young nigga cheese  
Remember days homey, I ain't had a thing  
Now I'm hoping off the plane putting roaches on the  
wing  
And my hoes like queens, but we smoke like fiends  
jewellery froze like bling, money come fast you're slow  
like lean,  
Rolling up grass, so weed to half a stack, so I know I'm  
gonna fast  
third period Showing up last with a late note  
blowing grey smoke

When I pull up people so fresh in my ride  
We smoke the best you can buy  
Them niggas talking it but they just don't go harder  
than us  
Keep stunting just cause I can  
These hoes know just who I am  
Them niggas talking it but they just don't go harder  
than us

We blow to the middle of the day  
Wiz say, Dogg, put a little in the jay  
Hey, why not? Not why?  
We fly, we ride, she high, he high, we high  
Fuck it, everybody to the library!  
Stuck in the hallway, he just smoke all day  
It's a mind game! keep migrenes

â€¦ I'm so lifted, like a parachuteâ€¦  
Slip away, dip away, almost had to throw a zip away  
But fuck that, this the taylor gang, what you want dog  
Shit I'm on everythang

When I pull up people so fresh in my ride  
We smoke the best you can buy  
Them niggas talking it but they just don't go harder  
than us  
Keep stunting just cause I can  
These hoes know just who I am  
Them niggas talking it but they just don't go harder  
than us

you niggas never had and you never will  
you niggas never had and you never will  
I said you niggas never had and you never will  
â€¦you niggers still in high-school, elementary ass  
niggasâ€¦

When I pull up people so fresh in my ride  
We smoke the best you can buy  
Them niggas talking it but they just don't go harder  
than us  
Keep stunting just cause I can  
These hoes know just who I am  
Them niggas talking it but they just don't go harder  
than us.
