I am gonna go wild
Blowing the smoke down
Like the .. know the â€¦
As long as I live it
Come pay me a visit and
I'll be somewhere up in the sky
It's about o go down
There is no land we are high
..
Feeling the quality shit
Smoking with me niggers talk shit
All over the .. I am a big fish roll the ..
Make it one told me to .. this .. on my dick
Botches on my hit list and .. bitches smoking â€¦
And not to mention hustlers try to match my business
.. with the class .. I always skip you hear me .. too hot
than this
Got my money tripping â€¦ even thought on this
smocking is good
If it's fast told you I sold it all wait till one of my hoes
come .. and hold it up
Were they fucking and coughing till I smoke â€¦
I show off I show off I show off
.. hit the star .. and go off
The money coming in and the papers brought up
Don't worry about a thing dig it all up..
Chorus
I am gonna go wild
Blowing the smoke down
Like the .. know the â€¦
As long as I live it
Come pay me a visit and
I'll be somewhere up in the sky
It's about o go down
There is no land we are high
