

Snoop Dogg And Wiz Khalifa "World Class"

Visit "[World Class](#)" on MotoLyrics.com

I am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably never change
I am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably be the same
Every time I try to get my life to get to someone it
seems
What you are doing try to ruin my hopes and my
dreams
Bless your way and always go get away
Keep some grams in my pants never hit a day
Am I wrong am I right
Do I care living life
On my own papa's home what am I feeling like
Musician premonition what you call it â€¦
Do your thing with â€¦. Back upon it
Recollect and reflect on how I used to be, I am probably
the same way cuz
cause im gon keep it G secretly you all are backing with
me
so we â€¦ expecting to get their photo come back stage
and hit my ..
cool individual I am never too good .. is from hood
never from Hollywood
chorus
I am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably never change
I am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably be the same
Growing up I don't know as much
I was too busy chasing money and all the stuff till I was
old enough
Getting every dollar before â€¦so they could know it's
us
Every party we are showing up bagging full of â€¦never
too long nigger
Matter of fact you can have it the one in rotation my
motivation is savage
.. and nigger think they are but they ain't no comparing

And they are not doing no harm but I think there is no
comparing
I keep making deposits and no way no interference
I am your broadcast I just .. just smell .. when I go past
.. I am kind of hot but you should know that
Chorus
am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably never change
I am not trying to be right try to be wrong
I just try to make it on my own
I said I do a lot of things but I probably be the same
