[Verse 1: Snoop Lion]

Tonight, there's gonna be a whole lot of smoke in the  
air

Blow it hard for the ones who ain't here  
Seems like every day we're putting one six feet  
underground  
So blaze - what goes up, must come down

[Bridge: Miley Cyrus]

Now my buzz is goin', I need to re-up on reality  
Can't let them see me weak, I need to find something  
Is there any possibility that everyone feels like me?

[Hook: Miley Cyrus]

Ashtrays and heartbreaks  
I lost some, let's toast to one  
So put 'em high, lets reminisce  
You're gonna aim, but you'll never miss  
Ashtrays and heartbreaks  
I lost some, let's toast to one  
So raise a glass to the memories  
Set 'em free and fill up all those ashtrays  
Fill up all those ashtrays

[Verse 2: Snoop Lion]

Tomorrow when you wake up and realize life ain't fair  
Throw it back, and make the whole world disappear  
You never miss what you had until it's gone  
When it's right, something always will go wrong

[Bridge: Miley Cyrus]

Now my buzz is goin', I need to re-up on reality  
Can't let them see me weak, I need to find something  
Is there any possibility that everyone feels like me?

[Hook: Miley Cyrus]

Ashtrays and heartbreaks

So put 'em high, lets reminisce  
You're gonna aim, but you'll never miss  
Ashtrays and heartbreaks

I lost some, let's toast to one  
So raise a glass to the memories  
Set 'em free and fill up all those ashtrays  
Fill up all those ashtrays
