Mavado Â– i gully gad snoop dog haha anyway iÂ....
come on gully.

Hook Â– Put lighters up get high with me fly with me
aint no dividing us east side west side south side north
side unified come on and ride with us x2

Mavado Â– We a keep a peace dance pan the scene
east side and the west side come in yadd man in a the
place you known we ever clean high grade float true we
blood stream the goons them out the girls them out we
love the chemistry we making money f%^#7 the guns
we nuh want nuh enemy make we do this till a morning
until it touch dawning link up when we #####

Hook repeat

Snoop Lion Â– Aint no dividing us we choose the
destiny and we donÂ’t need no negative to get the best
of me yea love and unity alone can get to me or if a girl
need me so if you known alot a love we spread put your
light up fi a better day try and get a bite a love ghetto
youths stop the war no make no shot a buss buss a
bottle make the ##### up yeaÂ...

Hook repeat

Popcaan Â– together make the Cheddar show love to
one another every man fi live like bredda unity is the
strength fi we make it better help you bredda up the
ladder love in every country and snoop dogg and
popcaan them done get the vision so we all can live in a
one bun devison go spread the news pan the television
put up lighter and wave you hand soÂ...

Hook repeat

Mavado Â– this one is about unity enuh gully gadd
snoop dogg
