I was a child  
Who wanted love that was wild  
Though tight as slow motion  
But crazed with devotion

Insane with devotion  
A whole other notion  
I was fourteen and a half  
And it wasn't no laugh

Love comes in spurts  
Love comes in spurts  
Love comes in spurts  
Love comes in spurts (it always hurts)

I just can't get wise  
To those tragical lies  
Though I now know the facts  
They still cut like an axe

'cause love comes in spurts  
In dangerous flirts  
And it murders your heart  
They didn't tell you that part

Love comes in spurts  
Love comes in spurts  
Love comes in spurts  
Love comes in spurts

Love comes in spurts  
Love comes in spurts  
Love comes in spurts  
Love comes in spurts

I just can't get wise  
To those tragical lies  
Though I now know the facts  
They still cut like an axe

'cause love comes in spurts

In dangerous flirts  
And it murders your heart  
They didn't tell you that part

Love comes in spurts  
Love comes in spurts  
Love comes in spurts  
Love comes in spurts

Love comes in spurts  
Love comes in spurts  
Love comes in spurts  
Love comes in spurts
