Yeah
I feel good
Yeah
I feel lite
Now, you know that i'm no good alone
No good alone i miss you
Baby, tell me baby
Say you do baby
I know one thing you don't
Try my honey
Try to get someone lovin' baby
Try me late tonight
Don't say may be tonight, yeah
Try everything you want
But try me baby
I feel good
I feel lite, baby
Singing our song
Try my honey
I miss you
Come soon, baby
You gotta give someone love
O meu refrigerador no funciona
Eu tentei tudo
Eu tentei de tudo
No funciona
No, no, no
O meu, o meu
O meu refrigerador no funciona
