Well I woke up this morning and I got out of bed  
I felt really beat stars spinned through my head  
I knew what to do to get outta this rut  
Toss down some of my cap'n crunch  
Opened the cabinet where it belonged  
I looked at the box and cap'n crunch was gone  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n - gone?  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n - gone?  
Well I can't eat it now with out the cap'n around  
What will we fo, he must be found!  
'cause lucky charms they don't do the trick  
And wheaties don't pack a sugar fix.  
Quisp left the galaxy  
Quake got his way  
All passed the expiration date  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n - gone?  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n - gone?  
They said he'd gone away to sea  
And now there's a big mystery  
They told me to solve the clues  
I was too depressed I had the crunchberry blues  
Then he came back one day  
They said he'd been at the milky way  
Nut i don't believe all the spoon-fed lies  
Conspiracies, pay-offs or cereal-spies don't feel right  
Who could it have been  
The silly trix rabbit trying to work his way in  
Where's the cap'n  
Where's the cap'n

Where's the cap'n  
Where's the cap'n - gone?  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n  
Where's the cap'n - gone?
