Every time I see you
Brings me up more and more
Done with your kind of bullshit
Gonna learn to give much more
Tired of waiting here
Not about to give up
Now that youâ€™re gone
Gonna find me another one

(Chorus)
I am not sitting around
Thinking of you
Wishing youâ€™d see
How much you hurt me
Instead Im up again
Ready to get out
Gonna find another one
Gonna find someone else
(Oh, gonna find someone else x2)

Gave you a chance
Even though youâ€™re a no one
Gonna watch you sag yoâ€™ pants
Even though you aintâ€™ got none

(Chorus)
I am not sitting around
Thinking of you
Wishing youâ€™d see
How much you hurt me
Instead Im up again
Ready to get out
Gonna find another one
Gonna find someone else
(oh, gonna find someone else x2)

Watching you walk around
With you and your skinny jeans
You and your loser crowd aintâ€™ got nothing on me
And even though youâ€™re the one
Who lost this, oh
I'm gonna show you how,

Youâ€™re gonna want me oh

(Chorus)

I am not sitting around

Thinking of you

Wishing youâ€™d see

How much you hurt me

Instead Im up again

Ready to get out

Gonna find another one

Gonna find someone else

(Oh, gonna find someone else x2)
