0:39 A vision of you there  
0:43 Standing tall  
0:45 By the gate  
  
0:54 Everything is new  
0:58 Stare in-to  
1:01 What is not  
1:05 Yet  
  
1:10 As your bones grow  
1:14 And you feel the pain  
1:17 In exchange  
  
1:25 Experiences hang  
1:29 Run round your mind  
1:32 And collide  
  
1:41 Hang your toes  
1:45 Over the edge  
1:48 Cause you can  
  
1:56 You can switch your place  
2:00 Hide in-side  
2:03 If you try  
  
2:12 You'll open up your eyes  
2:16 And realize  
2:19 How you fit  
2:22 In the wild  
  
2:28 A lion is a lion  
2:31 No apologies  
2:34 And a leash  
2:38 Is a leech  
  
2:42 In a corral  
2:46 You're safe and warm  
2:50 Pass it on to  
Every Sheep  
  
2:59 Time and time again

3:02 You stick your self  
3:05 To accept  
3:09 Someone else

3:14 Give up the wish  
3:17 Let go of the dream  
3:20 Barricade  
3:24 Fantasy

3:29 Burn the dogma  
3:33 Let the fire  
3:36 Overtake  
3:40 The desire  
3:43 To define

3:45 [I will find a way  
To keep this moment  
For myself  
I will find a way]

3:50 What's raging  
3:54 Out of control  
3:59 Like a wheel  
4:03 Like a storm  
4:06 Like a virus  
4:10 Like an ocean  
4:14 Like a silence  
4:18 An emotion  
4:21 Like a darkness  
4:25 Like a chance  
4:28 An idea  
4:30 Like a verb  
4:32 Like an outrage  
4:35 Like a sunrise  
4:37 Like a monster [Like a mantra]  
4:38 Like a monster [Like a mantra]  
4:40 [Like a mantra] Like a monster  
4:42 Like a mantra [Like a monster]

4:56 [nothing the same]  
5:05 [nothing the same]  
5:13 [nothing the same]  
5:20 [nothing the same]

5:58 And all of this  
5:59 Will never be the same  
6:03 Again

6:06 And all of this  
6:07 Will never be the same  
6:11 Again

6:13 And all of this  
6:14 Will never be the same  
6:19 Again

6:21 And all of this  
6:22 Will never be the same  
6:27 Again

6:29 And all of this  
6:30 Will never be the same  
6:34 Again

6:37 And all of this  
6:38 Will never be the same  
6:42 Again

6:44 And all of this  
6:45 Will never be the same  
6:50 Again

6:52 And all of this  
6:53 Will never be the same  
6:57 Again

6:59 And all of this  
7:00 Will never be the same  
7:05 Again

7:07 And all of this  
7:08 Will never be the same  
7:13 Again

7:15 And all of this  
7:16 Will never be the same  
7:20 Again

7:22 And all of this  
7:23 Will never be the same  
7:28 Again
