Whisper all your secrets,
Tell me all your lies.
Screaming your confessions,
Show me where you hide.

Long your roots are lying,
Deep within the dirt.
Love already dying,
Long before its birth.

If I were me I'd wait forever,
What's your hurry, what's your hurry?
Never learned how to say never,
What's your worry, what's your worry?
Once upon a time... the end.

Could you hear me calling,
Did you hear me cry?
Do you feel me falling,
Frozen in the light?

Space between the moments,
Pause between the breath.
Sin between the sermons,
Life between the death.

If I were me I'd wait forever,
What's your hurry, what's your hurry?
Never learned how to say never,
What's your worry, what's your worry?
Once upon a time... the end.

If I were me I'd wait forever,
What's your hurry, what's your hurry?
Never learned how to say never,
What's your worry, What's your worry?

Haunting me for all the bother,
I'm so sorry, I'm so sorry.
Once upon a time... the end.
