Man, I'm lovin' this club
The DJ is showing me love
Recognize the haters watch me
Flashing lights on the paparazzi
Laugh all night, don't try to stop me
Put me in a picture, then try to crop me
Can't be broken, no fragile boss mate
Love is here, no need for cops

Just give me that bass
Just give me that bass
Just give me that bass
Just give me that bass

Just give me that bass
Just give me that bass
Just give me that bass
Just give me that bass

Shawty, she be workin' to the crib
Shawty, she be workin' to the bass
Shawty, she be workin' to the crib
Shawty, she be workin' to the bass

Shawty, she be groovin' to the bass
Shawty, she be rollin' to the crib
Shawty, she be movin' to the bass
I love it when she say

Give me that bass
Just give me that bass
Bass bass bass
Just give me that bass
Just give me that BASS
Bass bass bass
Shawty give me that bass
Just give me that BASS
Shawty give me that bass
Just give me that bass
Tell those gals to stop
The beat gon' drop
Rockin' with the friends

...

T-t-t-turning heads in the parking lot
Keon make the girls go crazy
Says she wanna have a b-baby
Wanna take a ride in my mercedes

...

Give me that bass and pay me
Give me, give me that bass and pay me

Just give me that bass
Just give me that bass
Just give me that bass
Just give me that bass

Just give me that bass
Just give me that bass
Just give me that bass
Just give me that bass

Shawty, she be workin' to the crib
Shawty, she be workin' to the bass
Shawty, she be workin' to the crib
Shawty, she be workin' to the bass

Shawty, she be groovin' to the bass
Shawty, she be rollin' to the crib
Shawty, she be movin' to the bass
I love it when she say

Give me that bass
Just give me that bass
Bass bass bass
Just give me that bass
Just give me that BASS
Bass bass bass
Shawty give me that bass
Just give me that BASS
Shawty give me that bass
Just give me that bass
Tell those gals to stop
The beat gon' drop
Rockin' with the friends

F-f-fuck the hoes I'm psyched
You get yours and I'll get mine
Back in trance, why you waitin' in line?
V.I.P as I'm sicker than the wine
wine wine
sicker than the wine while
Cheatin' on these hoes

3 or 2 gram
For their shoes and their clothes
Give me that beat
Baby, keep the temperature low
Look at the beat baby,
Baby, give me that bass

Shawty, she be workin' to the crib
Shawty, she be workin' to the bass
Shawty, she be workin' to the crib
Shawty, she be workin' to the bass

Shawty, she be groovin' to the bass
Shawty, she be rollin' to the crib
Shawty, she be movin' to the bass
I love it when she say

Give me that bass
Just give me that bass
Bass bass bass
Just give me that bass
Just give me that BASS
Bass bass bass
Shawty give me that bass
Just give me that BASS
Shawty give me that bass
Just give me that bass
