Saturday's grim, yeah it always is
I don't want another sixty years
I don't want another sixty days
Feel sick guess I always did
You look worse and you're just a kid
I don't want another thirty years
I don't want another thirty days
Oh, Roll back your eyes (Roll back your eyes)
Let me in or let me go
I don't wanna know, I don't wanna know
I remember the summertime
There was never another time
I don't want another seven years
I don't want another seven days
Oh, Roll back your eyes (Roll back your eyes)
Let me in or let me go
I don't wanna know, I don't wanna know
I could never hold you down (hold me)
I could never make you proud (make me)
I could never leave you girl (leave you)
I would rather leave this world (believe me)
We're too old to die young
Yeah we just play our part
Adventure in our head
No adventure in our heart
We're too old to die young
Yeah we just play our part
Adventure in our head
No adventure in our heart
Roll back your eyes (Roll back your eyes)
Let me in or let me go
I don't wanna know, I don't wanna know
I could never hold you down (hold me)
I could never make you proud (make me)
I could never leave you girl (leave you)
I would rather leave this world (believe me)
I don't wanna be the one you love
I don't wanna be the one you praise
I wanna be the one you can't forget at night
Who makes you wanna take your life
I could never hold you down (hold me)

I could never make you proud (make me)
I could never leave you girl (leave you)
I would rather leave this world (believe me)
